Virginia Region II Physical Science Teacher Night for Elementary and Middle School Teachers

**April 14, 2021 6 – 7 p.m.**

Hosted by Jefferson Lab

RSVP by April 13 at [education.jlab.org/teachernight/](https://education.jlab.org/teachernight/) to register

Join us for an hour of **demonstrations** and **door prizes** and receive 1 **recertification point!** Teachers from JSAT (Jefferson Lab Science Activities for Teachers) will share science-themed classroom activities geared toward upper elementary and middle school students. Explore more than **50 teacher-approved classroom activities** available on our website, complete with accompanying handouts, and bring the science into your classroom!

## Activity Topics

Atomic Theory – Engineering Design Challenges – Exothermic Demos – Water Cycle – Friction – Energy Conservation – Electricity – Matter – Scientific Investigation – Science Games – Sound – Force & Motion – Periodic Table – Light – Solar System – Static Electricity – Renewable Energy – Compounds & Mixtures

## Questions?

Visit [education.jlab.org/teachernight/](https://education.jlab.org/teachernight/) or contact [gagnon@jlab.org](mailto:gagnon@jlab.org)

Teacher Night is supported by the JSA Initiatives Fund, an annual commitment from the JSA owners, SURA and PAE Applied Technologies, to support programs, initiatives, and activities that further the scientific outreach, and promote the science, education and technology missions of Jefferson Lab and benefit the Lab user community.
